My dear Brother,

I wish to apprise you that I leave this night, at 11. O'clock for Washington & before this reaches you (D.V.) shall be in that City. Rec'd. a letter from Rev Dr. Schenck this morn. which decided me to lose no further time & get my application & testimonials in, at any rate without further delay. I learn from Dr Schenck that he has not heard from them, Cowan, & supposes that he is a very poor boy here at Greensburg, Westmoreland Co. Pa. & therefore there may be some delay before he has an

opportunity to make a direct influence upon Mr McCulloch, but with my application &c all will reach him in due time, but still I feel no anxiety further than the fear that I may have overlooked something that should have received my attention before I leave & lay my case before the Government. God's will be done in this, as in all other matters. I must tell you what I know will prove interesting, our friend, who has the true nobility of soul in him, myself found in this World. I mean Edwd Robins, has furnished me two letters of introduction, & of the strongest kind, one to his intimate friend Ex Marshall Lamon, Mr Lincolns Law partner in Springfield, Ill. & late Marshall of the D. C. & the other to his friend & relative the Hon Judge Fisher of the Supreme Court of the District of Columbia. I feel thus aided greatly in my visit — believe their influence will do much in my favor, especially the Marshalls, as he was one of the Delegates to the great Convention held in this city 14th August last

Excuse me, my time is out, & your patience also I doubt not. Farewell by may the Lord bless you for all your kindness & especially in this present instance.

Very truly & sincerely
Yours
in haste
